FROM : B. Allan Benson, Acting Associate General Counsel

SUBJECT: Dow Corning Corporation Bankruptcy

We have been advised that the U.S. Department of Justice will be representing all U.S. Government creditors in the Dow Corning Corporation bankruptcy court proceeding currently pending in the Eastern District of Michigan. In order for the NLRB's interests to be fully represented in the bankruptcy matter it is necessary that we compile a full inventory of all active unfair labor practice cases involving Dow Corning as a named respondent or potential alter-ego or Golden State successor. Please review your case records and submit in the table format below, the name, case number, status and amount of make-whole remedy due in any case involving Dow Corning. If liquidated in a settlement, administrative law judge decision, Board Order, court judgment or compliance specification please advise.

Also, please report all cases that are currently under investigation, including current status and what the potential make-whole remedy would be if merit is found. Please provide your report by paper and electronic media, as an attachment to a "ccMail" message on the subject "Dow Corning" addressed to Secretarial Assistant Joyce Van Horn. Your response is requested by Thursday, June 1. If you have no cases, please advise.

Format:

If you have any questions concerning this matter please contact me or your Assistant General Counsel. Thank you for your cooperation.
